Brief Introduction of LHH

LHH was founded by the late Ven. Shi Long Hua (Ven.). LHH accepts the aged, orphans and the disabled - free of charge !

In retrospect, "Guan Yin Cultivation Old Folks Home" was first set up in 1989 by Ven. in Kg. Perpaduan situated at Batu 7?, Jalan Skudai, Johor. In 1993, it expanded by setting up a centre for orphans and the disabled at Kebun Teh Road, Johor Bahru. The name of the Home was then changed

to LHH.

Ven. was truly a benevolent and compassionate monk whose spirit is likened to a bright light that radiates and shines in the darkness. Thus, Ven. has been much respected by all quarters of the community.

Ven. passed away peacefully on 5 July 1998, ie 12th day of the 5th lunar moon. LHH then came under the aegis of MBA. This entails a heavy responsibility on the part of MBA in taking care of over 200 inmates. LHH's current Superintendent and Head of General Affairs were Ven. Miao Sheng and Ven. Chan Liang respectively. Ven Miao Khai and Ven. Jit Heng were the Treasurer and Head of Administration respectively. Ven Chek Huang also shoulders the responsibility for the construction of LHH's new building. In spite of the constraints ahead, the Sanghas at LHH are devoted to run LHH with much competency.

The 2 locations of LHH house a population of more than 200 inmates. Many of them are suffering from illnesses such as down's syndrome, breathing difficulty, asthma, twitch, back ache, polio, rheumatism, joint dislocation, skin diseases, long term illnesses or are not able to cope with their daily activities of life.

Appeal for Generous Donation

The source of funds for LHH are from public donations, we sincerely appeal to all individual well-wishers and organisations to contribute generously towards LHH's funds so as to enable us to continue with the worthy mission. We also welcome contributions towards our funds for sponsoring coffins, cremation costs and performing funeral rites for the deceased.
